

Founded in 1988, Bestway is based in Kansas City, Missouri, one of the largest logistics hubs in North America. We provide full-service transportation and brokerage solutions to thousands of clients worldwide, from Fortune 100 corporations and government agencies to small- and mid-sized regional businesses. Bestway is an exclusive agent for Hellmann Worldwide Logistics, a \$4B international freight forwarder with over 450 local service offices in 157 countries.

All Bestway drivers and carriers are thoroughly vetted, including daily checks of safety scores, insurance coverage, and DOT compliance. The result: complete assurance for you. Thousands of successful shipments using leading edge technology give us the expertise and experience to be your solid partner.

- **Full Truckload:** Dry Van, Temperature Control, Flatbed, Step-deck, Out-of-gauge shipments
- **Drayage:** We manage carrier relationships at every port in the United States to be your one-stop shop for all your drayage needs.
- **LTL:** With access to more than 50 LTL carriers, we match your desired rate and required transit time.
- **Volume:** On shipments between 5 and 16 pallets, we leverage long-standing relationships to negotiate strong rates and transit times.
- **Expedited:** Our network includes thousands of Sprinter and Cargo Vans for JIT shipments and FTL systems for larger JIT loads.
- **Intermodal:** Utilizing container and rail relationships, we reduce costs and transport your goods coast to coast via railroad.

"Freight Forwarder" and "Broker" are general definitions that can encompass extreme variations in capabilities and competencies. We've built our business on decades of experience and expertise in the complex aspects of domestic and international shipments. We are proud to be considered a business partner in addition to a value-added service provider.
